'GUIDANCE FOR THOSE WISHING TO MARRY ON APPROVED PREMISES'

As soon as the couple has made provisional arrangements for their marriage on approved premises, they should be advised to contact the Superintendent Registrar for the district in which the premises are situated at:

The Ceremonies Officer at Lancashire Register Office,
P.O Box 24
Bow Lane,
Preston PR1 8SE
Tel: 01772 533800

Without the presence of this Superintendent Registrar and the Registrar there can be no marriage and any arrangements for the use of the premises depend entirely on their availability.

It is, therefore, essential that the couple make an advance booking with this Superintendent Registrar for his/her attendance at their proposed marriage as soon as a booking can be accepted. A fee for this attendance will be payable before the ceremony.

The couple will also have to give a notice of marriage to the Superintendent Registrar of the district in which they live.

This notice must be given in person by one of the couple but is valid for only three months. One of the couple should, therefore, attend the register office where they live as soon as possible after notice can be given.

The couple should be warned that any arrangements made for the marriage to take place on the approved premises are dependent on:

- The attendance of the Superintendent Registrar and a Registrar for the district in which the premises are situated; and
- The issue of the authority or authorities for the marriage by the Superintendent Registrar's) to whom notice of marriage was given.

When notice is given in a different registration district from the one where the marriage is taking place, the couple will have to collect the authority before the ceremony and ensure that it is delivered to the registrar who is to attend the ceremony.

The couple should be advised that only the Superintendent Registrar could permit a civil, non-religious ceremony.

Any music, reading, words or performance that forms any part of the ceremony must be secular. The content of the ceremony must be agreed in advance with the Superintendent Registrar who will be attending the Ceremony. Any rights of copyright for music, readings, etc. permitted at the ceremony are a matter for the couple and the holder of the approval.
